24 High School Graduates To Be Honored Friday

Program Is Arranged Here For High School Class of '53

Tahoe-Truckee High School will hold its graduation tomorrow evening in the school gymnasium at 8:00 p.m.

The high school band will open the program by playing a processional march and the colors will be presented by Boy Scout Troop No. 31, Kings Beach, with Gene Thompkins, assistant scoutmaster, in charge. The invocation will be given by Rev. A. A. Carmitchel.

Joseph Mustol will direct the high school chorus in the singing of the Hallelujah Chorus and will be joined by the band in a combined presentation of "Jesu, Joy of Man's Desiring." Dorene Quam will be the pianist.

John Moore will speak on "What is a School?" The band will play a special number, "Agnus Dei."

Glenn Kendall, president of Chico State College, will give the main address of the evening, speaking on "The Little More."

To Give Awards

William Walker, president of the senior class, will make the presentation of the class gift to the student body. R. E. Saunders Jr. will make the Bank of America awards and E. V. O'Rourke, superintendent of the Tahoe-Truckee Unified School District, will make the presentation of the Babe Ruth Foundation sportsmanship awards. Angelo Besio and Howard Vaughan will make the Lions Club Speakers' Cups awards. The Tahoe-Truckee Educational Association scholarship award will be presented by Robert Briggs.

Presentation of the graduating class will be made by George Bergen, principal of the school. W. A. Loynd, president of the governing board of the district, will present the diplomas to the graduates.

Benediction will be pronounced by Rev. Ronan Brennan and the colors will be retired by the Kings Beach Boy Scouts.

The Graduates

Those in the graduating class who will receive their diplomas are Diana Blackford Carter, Joseph Vincent Copeland, Charles Joseph Cozzi, Delores Idene Danley, Marcia Dudley, Bert Seymour Falbaum, Rolland Gene Gautsche. Thomas Lee Grow, Joan Leone Hardisty,

Virgil Sheldon Jones, Dallas Marquis, Donna Mae Miller, John Edward Moore, Irma E. Nauss, Ronald L. Pelley, Dorene Ruth Quam, Reaford G. Reid, Ronald Frederick Sanford,

Joanne Sims, Charles E. Smith, Robert B. Tonini, Shirley M. Wagner, William George Walker, Robert Loren Wooford.

HONOR GRADUATES AT ROTARY MEET

Members of the graduating class at the Tahoe-Truckee High School were guests of the Truckee Rotary Club Monday night at a dinner and program held at Donner Lake Lodge. Miss Thelma Finger, faculty member, spoke on the class and school. Carol Souter and Marjorie Osburn sang. Jimmy Carter played guitar numbers and the high school chorus rendered selections.

The club Charter Night will be held June 8 at the lodge, with the ladies as guests. Stanley Zwarg was a guest at Monday's session, presided over by Charles Osburn.

EASTERN STAR TO GREET OFFICIAL

A reception and banquet honoring the official visit of Worthy Grand Matron Gilma Moyer will be held at Donner Lake Lodge tomorrow evening with chapters of the Order of the Eastern Star from Truckee, Portola, Sierraville, Loyalton and Beckwourth joining in the festivities.

Matron Marie Street and Patron James McIver will be official hosts for the Truckee chapter during the meeting following the banquet. All members are urged to attend.

CHINA COLLECTION WILL BE STUDIED

Mrs. Charles Heller will display part of her collection of old china at the Wyethia Club meeting on June 5, relating a brief story of each piece, and Mrs. Elizabeth Bavier, a philatelist, will explain the fascinating hobby of stamp collecting. All members who have hobbies they wish to share are requested to take them to the session.

The Girl Scout troop will lead the Pledge to the Flag, preceding the business meeting.

In Oakland—

Mr. and Mrs. Kent Fothergill have moved from Truckee to Oakland.

Doctor Pleads On Reduced Charge In Narcotic Case

NEVADA CITY— Dr. Joseph Bernard O'Neill of Truckee was one of three men recently indicted by the Nevada County Grand Jury who appeared before Superior Judge James Snell Tuesday for a resumption of arraignments, continued from May 15.

Dr. O'Neill pleaded guilty to three misdemeanor counts of violating Section 11167 of the health and safety code, meaning that he had thrice prescribed narcotics for himself. This was a less serious offense than the narcotics violations charged in the indictment, which were felonious in nature, but the pleas were acceptable to District Attorney Vernon Stoll.

Stoll said after court that a felony conviction would have ended Dr. O'Neill's right to practice and that he had agreed to the lesser plea because the narcotics involved did not together amount to a one-day supply for a narcotics addict.

Dr. O'Neill appeared in court with his attorney, John L. Brannely of Sacramento. He was continued on his bail until 2 p.m. on June 5 when he must appear for pronouncement of judgment.

WEATHER IS ONLY BAR TO OPENING OF FISH SEASON

Unless there is a radical change in the weather between now and Saturday, when the trout fishing season opens on most streams in this area, the opening day holds little promise for anglers.

For the most part, the streams are too high and a bit muddy, although those who have made preliminary surveys report a better than average stock of trout.

Despite the inclement weather, hundreds of nimrods will avail themselves of the opportunity to be among the first to catch limits —the largest fish, and vie for other first-day honors.

Local sporting goods stores are prepared to meet all requirements from licenses to all types of bait, tackle and other accessories.

PYTHIAN SISTERS TO HEAR REPORT

Members of Pythian Sisters Temple 79 are being urged to attend a meeting this evening at which time Mrs. Hazel Roberts, who returned Sunday from the convention at Hoberg's, will make her official report. Plans will also be made for a pot luck supper. Mrs. C. R. Heller was also a representative of the local lodge at the Hoberg convention.

ROAD FOREMAN HURT IN MISHAP

John Lloyd, foreman for the division of highways on Donner Summit, was taken to an Auburn hospital Sunday morning for a broken arm and shoulder, resulting from an auto accident near Rancho Sierra.

The highway patrol reported that a car driven by Mrs. Lloyd skidded and ran off the highway down an embankment.

Patrolman Earl Crane suffered neck and back injuries, the report said, in attempting to carry Lloyd back up to the highway. Mrs. Lloyd was not injured, the report indicated.

SUGGESTIONS FOR SAFETY SOUGHT

Suggestion boxes will be placed in business houses for ideas in reducing home and traffic accidents. Emblems will be awarded at the end of June by the Wyethia Club, conducting the local campaign for safety.

Sgt. Frank Smith, Judge Fosten Wilson and Constable N. F. Dolley will demonstrate justice court procedure at the Tahoe-Truckee High School on Friday, May 29. Sgt. Smith will give final instruction for safe driving.

On Leave—

An extended leave is drawing to a close for James Howard Painter, son of Mr. and Mrs. Carl Painter, who has been visiting here, on leave from his Navy post.

Third Produce Truck Wrecked Within 6 Weeks

Two Men Are Hospitalized As Vegetables Are Scattered

The third produce truck within six weeks has been wrecked coming down Donner Grade.

Thursday night a truck loaded with fresh lettuce, strawberries and broccoli plunged off the grade near the Horseshoe, injuring Glen Kesler, 24, Nampa, Idaho, and Lee Evans, 22, Wilder, Idaho, and scattering the perishables far and wide.

The mishap occured during a blinding snow storm and on a slippery road. It was indicated the heavy-laden trailer skidded, pulling the truck over the grade, where it was nearly demolished.

Kesler and Evans were taken to the Tahoe Forest Hospital where Dr. George Hahn said the former has a broken left leg and the latter four vertebral process fractures. Wives of the two men came from Idaho to be with them and are expected to leave by Truckee ambulance for their homes this week.

A week previously a fruit truck driven by Jack Burney of Oklahoma was wrecked near the same spot and a month earlier a Newport, Minn., fruit truck, operated by Lloyd Norby suffered a like fate.

JOE COPELAND WINS WATCH AS LUCKY GRADUATE

The clock stopped Wednesday.

As a result, Joe Copeland, a member of the graduating class of 1953, Tahoe-Truckee High School, will receive a 17-jewel watch as a gift from Thomas Jewelry in Truckee. Names of class members were placed around the face of a clock and the minute hand, when the clock stopped, pointed out the name of the fortunate senior.

SILVER TEA WILL BE PLANNED HERE

Plans for the annual silver tea, to be held June 12, will be discussed at the garden section of the Wyethia Club to be held in the home of Mrs. N. F. Dolley June 4 at 8 p.m.

During the evening, plants, flowers and dish garden arrangements will be shown. All members of the club are requested to attend.

MARVIN BROWNE CUT BY GLASSES

Marvin Browne, 13, son of Mrs. Gregory Browne, suffered painful lacerations of his face when goggles he was wearing broke while he was swimming in a Reno pool last week. Seven stitches were necessary when the glasses broke.

NEW MEAT CASE AT ROSE MARKET

Adding to the convenience and appearance of their meat department, Rose Brothers have installed a new 22-foot Friedrich Floating Air show case at the store in Gateway Park. Not only is the case an attraction, Butcher Joe Carter explained, but it is designed to keep meats fresher by providing ever-changing moist air, kept at proper temperature.

CLARK KYDD IS FETED AT PARTY

Clark Kydd, son of Mr. and Mrs. C. W. Kydd, observed his birthdate on Thursday, May 21, with a dessert party, following which a group of his school friends accompanied him to the show at the Donner Theater.

Sees Friends—

Mr. and Mrs. Oscar Schumacher had as their guests Mrs. Bertha Ericke and Miss Geneva Ericke of Long Beach. Mrs. Schumacher went to Manteca with the visitors where she visited Mr. and Mrs. Al Benson, former Truckee residents, and also met a friend from South Dakota.

Sun Beams

by WALTER BARRETT

The highway patrol this week issued a belated warning designed to prevent the looting of wrecked vehicles in the area. It has been pointed out by the officers that often before a patrol car can reach the scene of an accident, passing motorists stop and make off with valuables, disregarding the loss to the owners or penalties prescribed. In the case of wrecked trucks, whole cargoes have been carted off by unthinking or unscrupulous passersby. Many times, the patrolmen declared, an insurance adjuster will authorize the abandonment of certain parts of a wrecked cargo, as in the case of a recent produce truck, and in that event the public is often invited to gather up the damaged load to prevent complete loss. This should be done, however, the officers warned, only after permission has been secured. Arrests are promised if merchandise is molested at the scene of a wreck without permission from an authorized person—and they promise no exceptions.

Another bouquet this week to the 20-30 Club for its sponsorship of a benefit show for a worthy, needy family. This club, despite the fact that it is small in number and not burdened with a large treasury, is presenting the show, devoting time and effort to bring relief to an unfortunate family and we can only hope most sincerely that both the recipients and the donors will gain by the gesture.

TRUCKEE BASEBALL SEASON OPENING IN GAME WITH VERDI

The 1953 edition of the Truckee Baseball Club is scheduled to open its season Sunday at 2:30 p.m. on the Verdi diamond with the Verdi Industrial League team as host.

Coach John Rau announced the following player roster, as of last night:

Bob Sanford, Burt Munson, Mort McCormick, pitchers; Al Wakefield, Ron Sanford, Layne Farrar, catchers; Bobby Tonini, Burt Domgaard, first base; Edward Frates, second base; George Riolo, shortstop; Karl Kielhofer, Charles Cozzi, third base; Jack Lambres, Lester Davidson, Bill Campbell, Ralph Garcia, outfielders.

Rau said there will be practice tonight on the local field and that anyone interested is invited to come out and work out. The locals will play Fallon June 7 and Yerington June 14, traveling, with the first home game set for June 21 against Fallon.

DRIVE DISCUSSED AT CHAMBER MEET

Routine business, including a discussion of a membership drive, final steps in incorporating the organization, a report on the progress of the free parking lot and other matters of civic interest, occupied the members and officers of the Truckee Chamber of Commerce at Brown's Cafe Tuesday evening.

Howard Newsham, chairman of the incorporation committee, said the document is being filed with the secretary of state immediately.

The membership drive is scheduled to start in the immediate future, it being pointed out that many local firms are still delinquent. Cliff Ellis presided at the session, attended by more than 20 members.

GRACIKS WELCOME BABY DAUGHTER

Mr. and Mrs. John Gracik welcomed their third daughter, Cindy Lou, on Saturday, May 23. The little girl weighed 7 pounds and 1 ounce when she arrived at Tahoe Forest Hospital. Dr. George Hahn was the attending physician.

DRUNK CHARGE

Charles Berg Jr., 47, transient, was sentenced to serve ten days in jail on a drunk charge following his arrest Saturday by Constable N. F. Dolley.

Deadline Is Set On Local Flood Control Hearing

June 22nd Set As Deadline Date for Siving New Data

Residents of the Lake Tahoe-Truckee River Valley area or others interested in a flood control program approved by the army engineers will have until June 22 to present facts or statements or to register protests to the deepening of the channel and installation of a control gate at the lake's outlet.

This was reported this week by Colonel P. D. Berrigan, division engineer. He said dates for oral hearings may be arranged by correspondence to the board of engineers for rivers and harbors in Washington, D. C.

Effective Methods

The channel deepening and control gate are recommended by the engineers as effective methods to combat high water dangers in the Tahoe Basin along the river.

Lake Tahoe, swelled by the runoff from several severe winters, has risen to threaten summer homes and resorts and has caused damage to some facilities along the shoreline. The Truckee River has overflowed its banks in the past and has inundated the downtown area of Reno.

In their study authorized after lakeshore residents appealed for aid, the engineers decided there is a definite need for flood control work in the Lake Tahoe basin.

Cost $960,000

They pointed out the project would cost an estimated $960,000, of which approximately $830,000 would be borne by the federal government provided local interests can furnish the rights of way, easements and land for the project with no cost to the government.

In addition, the engineer said in an interim report on the problem, a multipurpose water resources development, including the channel improvements along the Truckee River and construction of reservoirs and hydroelectric power plants would be desirable.

Colonel Berrigan, division engineer, stated copies of the interim report are available at the corps of engineers headquarters in San Francisco or in Sacramento.

JAY CLARKS ARE BACK IN TRUCKEE

Mr. and Mrs. Jay Clark have returned to make their home here from Daggett and Clark will resume his work at the quarantine station as an intermediate clerk. Howard Ingham, at present employed at the local station, is transferring to Blythe to replace Clark there.

TWO SUFFER HURTS IN AUTO COLLISION

Mrs. Berdie Rusener of Broderick and Mrs. Lou Braden of Auburn suffered minor injuries when cars driven by Alfred J. Dolan of Sacramento and Daniel E. McDaniel of Reno collided near Soda Springs. Patrolman Martin Sturcke investigated and cited Dolan.

FIELD MAN FOR RED CROSS DUE

Z. A. Neal, field representative for the American Red Cross, will attend a meeting of the executive board and home service committee of the Truckee Branch at the justice court at 8 p.m. Tuesday, June 2. At that time, the future status of the local organization will be determined, Mrs. F. W. Wilson, home service secretary, said. Everyone interested is invited to attend.

From Roseville—

Mr. and Mrs. August Sassarini and young son, former local residents, now of Roseville, were visitors here last weekend.

Recovering—

Rosalie Kaspian, daughter of Mr. and Mrs. George Kaspian, is reported recovering from an attack of appendicitis suffered last week.

Invalid Beaten Robbed Of Reno Casino Winning

Local and Reno authorities are continuing their search for three sailors and a woman companion, wanted in connection with the brutal beating of Raleigh Burchett, 58, Greenville, South Carolina, semi-invalid, who was robbed and dumped from a car near Farad at 7 o'clock Monday evening.

Constable N. F. Dolley and Deputy Sheriff Roy Waters were called to bring the victim to Truckee. They said his face and body bore out the story of the attack.

Burchett told the officers that he was released from a Reno hospital Monday morning, where he had been undergoing treatment for chronic disabilities. He went to a Reno casino where he started gambling with better than average fortune, he told the officers.

He had accumulated nearly $800, he said, when the sailors and girl struck up an acquaintance and the five enjoyed a few drinks and a dinner. The sailors told him of another likely place to play and invited him to ride in their car, he went on.

Burchett said he recalls little of the ride to Farad but remembers being pulled forcibly from the car, beaten and robbed. He was left beside the road but made his way to a nearby house to secure help.

Officers found $15 which the victim had secreted in one shoe before starting his gaming. This, he told them, was at the suggestion of a panhandler whom he had befriended.

No trace of the assailants had been found to date, Dolley said.

UNSETTLED, CHILL WEATHER PERSISTS IN THIS REGION

Foul weather which has predominated throughout the west for the past several weeks continues to be a nuisance with almost daily cloudiness, blustery storms and chilly temperature.

The U. S. Forest Service reports precipitation is 3.02 inches over normal for the entire season which ends September 1.

Total precipitation to date is 30.40, with the normal to May 31 26.67 inches and for the season 27.38 inches.

During the past week, melting snow, mingled with rain, brought 1.22 inches precipitation with last Saturday's storm accounting for the major portion of the downpour.

The coldest morning of the week was Monday when the mercury dipped to 20 degrees.

PROGRAM ENJOYED BY LIONS CLUB HERE

A pantomine skit by Carol Souter and vocal solos by Marjorie Osburn, accompanied by Dorene Quam, provided the enjoyable entertainment at the meeting of the Lions Club at Donner Lake Lodge last night, where C. R. Heller was program chairman.

Next weeks meeting will be at Lakewood Lodge near Tahoe City.

Guests last night included Clyde Crip of Patterson and M. Duffy of Palm Springs. Angelo Besio presided.

JANICE EATON IS FETED AT PARTY

Janice Eaton, daughter of Mr. and Mrs. Harry Eaton, was feted with a party at her home here on Wednesday, May 27, to celebrate her 8th birthdate, which was on May 16. Many of her school friends and neighbors helped the honoree enjoy the traditional birthday cake and ice cream and the playing of games.

TRASH CANS ON STREET HELPFUL

Half a dozen spacious trash cans, the type with the swinging, slanted covers, have been placed along the main street here for the convenience of passersby who have been forced, because of the lack of refuse cans during recent months, to toss their scraps in the gutter.

The cans were provided by the Truckee Sanitary District at a cost of nearly $400 in a project sponsored by the Truckee Chamber of Commerce.

19 Hurt When Bus Runs Over Bank Near Here

Driver Given Credit For Preventing Worse Disaster

The quick thinking and prompt action of a student driver on an American Bus Lines bus Tuesday evening at 5:30 was credited with averting a tragedy two miles east of here when the vehicle plunged off a grade, injuring 19 of the 21 passengers. None of the injured was in serious condition.

State Patrolman Carroll Maynard, who with Sergeant Frank Smith and Patrolman William Gautsche, conducted the investigation, said the bus was rounding a curve just east of the Kearney Ranch when the right front wheel dropped off onto a soft shoulder. The vehicle plunged down a steep embankment a distance of nearly 50 feet and then plowed through a more level area for 100 feet before stopping. The bus did not overturn.

To Hospital

The driver, Arthur Larsen, 34, Pittsburg, Calif., and the instructing driver, Clifford Collins of Sacramento, were not injured but all passengers were rushed to the Tahoe Forest Hospital by the two Truckee ambulances, where they were treated.

One Truckee man, Kim Juang, 54, chef at Coodfellws Coffee Shop, suffered injuries to both knees and one tooth was knocked out.

Others hospitalized included:

Peter L. Elgart, 45, Reno, leg and shoulder injuries;

Miss Johnny Lee Wilson, 45, Wasco, Texas, left hip;

Miss Jean Patrick, 23, Jackson, Miss., head injuries;

Ruth Westling, 23, Jackson, Miss., head injuries and shock;

Father Albert Muller, 63, Benicia, both legs, head and nose;

Eleanor Ahern, 23, Philadelphia, lip lacerations.

Mrs. Theresa Ahern, 61, Philadelphia, leg and arm injuries;

George Wagner, 80, Palisades, Colo., left leg, head and nose.

Treated and Released

Alice Syalbia, 46, Pittsburg, Cal.; G. O. Stone, 49, Pueblo, Cal.; Edward Bruce, 64, Lansing, Mich.; Grace Bergstrom, 52, Labanon, Mo.; John E. Bergstrom, Lebanon, Mo.; Mrs. James H. Brown, 49, Reno; Mrs. C. Lucht, 43, Reno; Doris Rosenblum, 24, New York; Diana Rosenblum, 32, New York; Donald J. Pfiel, 16, Sacramento; Paul Hill, Fort Worth, Texas; Jeanette Rooker, Merced, and Kim Juang, Truckee.

Maynard said no charges have been made against the driver and praised him for averting a more serious accident.

GOODFELLOWS TO WELCOME ANGLERS

Reg Smart, manager of Goodfellows Coffee Shop, announced that the restauarant will remain open all night Friday night to accommodate those who want an early breakfast before hitting the streams for the opening of the trout season. Smart also said that for the time being, Goodfellows will discontinue their twice-weekly Chinese menu, which have been so popular during recent months.

SARGE WILL OPEN EVERY WEEK NIGHT

B. W. (Sarge) Reynolds said that, beginning Friday night, Sarge's dining room in Truckee will be serving every night of the week, excepting Wednesdays. During the past few months, the dining room has been open only during the three days of the weekends.

NEW AMBULANCE RECEIVED HERE

N. F. Dolley, operator of the Truckee Ambulance Service, found ample use for his newly acquired Pontiac ambulance Tuesday when it was tested out hauling victims of the bus accident to Tahoe Forest Hospital.

The new vehicle, with a two stretcher capacity, was delivered Saturday. It is light blue, latest type equipment and will augment the 1952 Chevrolet already in service with a three stretcher capacity.

TO VISIT EUROPE

Miss Jeannette Lawrence of the high school staff plans to leave shortly for a trip through Europe. She will fly from San Francisco, join a sister living in Kansas and the two will depart for the three months tour on June 6.

Visit Edmunds—

Mr. and Mrs. Ross Buell and children of San Francisco and the former's mother of Burlingame were weekend guests of Mr. and Mrs. Cecil Edmunds.

NORTH TAHOE

by THELMA BURROUGHS

The Sacramento Chamber of Commerce will make its annual "Good Will" tour to Lake Tahoe June 5 and 6. Chartered buses will leave the chamber building at 7th Street between I and J Streets at 9 a.m. on the 5th and return about 6 p.m. the 6th. The program includes a cocktail party and dinner and stops at various lodges and resorts around the lake. The group will spend Friday night at Camp Richardson.

Dogs—the community's number one problem now must be given consideration. There is a law against letting dogs run loose in a resort area. This is definitely a resort area and many, many dogs are running loose to the annoyance of our general public. The poundmaster was up from Auburn last Friday, picked up several dogs and will be back again next month at which time every dog running loose will be picked up and impounded regardless of whether it wears a license tag. If you want you pet, keep it up!

Can anything else happen to Butch Crawford? Last winter it was a broken foot. In the spring it was an eye injury that required six stitches in the eyeball. Now it it a broken wrist, received during a practice football game at school last week.

The Lake Tahoe Archers have incorporated and appointed two representatives to the North Tahoe Council of Organizations. These delegates are Bac Frye and Clark Powell. May 13 a dinner at Sierra Lodge marked the end of the indoor season for the Archers and the beginning of the outdoor season. At this dinner, Max Krueger, president, was presented with one of those fancy glass fishing rods in appreciation of his good work and as a going away gift. Max will, with the near future, leave for Woodside with his mother, where their new home will soon be under construction. The Archers' first seven targets are up for the field course, the remaining seven being under construction. These are situated on the Gun Club and North Tahoe Public Utility District properties.

P. R. (Bob) Murray has returned to his Tahoe Estates home after a short visit with friends and relatives around Chico and Merced.

Mrs. Ann Woodland, who has plans for spending the entire summer at her Tahoe Vista home, is going to San Francisco to witness the Coronation on television, returning immediately thereafter to the lake.

The North Tahoe Women's Club enjoyed a Mother and Daughter dinner party at the Buckhorn Inn Tuesday night with 44 present. A turkey dinner was served and all appeared to be having a fine get-together. This will be the last one for the summer.

Sixth grade pupils of the Kings Beach School were taken to Carson Hot Springs for a swimming party by their teachers, Henry Sams and Mrs. C. Clayton, as a commencement present. The young people had a wonderful time, made more enjoyable by the fact that Gil Johnson, Kings Beach restaurant owner, filled them with Gilbergers and milk shakes upon their return to the lake—that, too, as a commencement treat.

The local Parents and Teachers gave a weiner roast at Kings Beach School last week for members of the school safety patrol, which included Walter Bailey, captain; Ken Clayton, lieutenant; Carol Bailey, Walter Mandeville, Paul Mason, Dennis Thompkins and Dorothy Mercer.

Saw Barbara Hall last Sunday. She tells me that little Cheryl Ann is 12 weeks old, having arrived on February 28 in San Mateo. Barbara and Billy and their daughter are up for the summer with Barbara's parents, Mr. and Mrs. Ivan Parr. Bill is working at the Richfield station.

Mr. and Mrs. Edward J. Skovmand of Oakland will arrive June 1 to start construction on their summer home on Lot 96, Estates Drive, just above Lake View in Tahoe Estates subdivision.

Upon their return to their Lake Tahoe home in Kings Beach from a winter spent in West Palm Beach, Fla., with their two sons, Mr. and Mrs. Jake Glunt were surprised by a group of their friends with a pot luck dinner last Saturday night. Those present were Mr. and Mrs. Loren Mosier, Mr. and Mrs. Ray Plunket and children, Mr. and Mrs. Henry Chanda, Mr. and Mrs. Fred Vercoe, Mrs. Judy, Mrs. Price, Mrs. Hale, Mrs. Blaue and the Glunts' daughter with her husband and children from Babbitt, Nevada.

The Woman's Society of Christian Service met at the home of Mrs. Jessie Hale last Tuesday afternoon with nine women present. All enjoyed the lovely luncheon served by their hostess.

The A. E. Abbotts received a call from their proud and excited son, Aaron, last Friday about 4 p.m. reporting the arrival of the second son to join their family within the past three years. Aaron and Katherine's first son, Mitchell, now past two years of age, will be up to see his grandparents very soon.

A committee from Lake Tahoe comprised of Fred Main, president of the Lake Tahoe-Sierra Chamber of Commerce; P. M. Burroughs, chairman of the chamber's highways and roads committee; and Lee Madden, secretary, Lake Tahoe Lions Club, appeared before the State Senate transportation committee last Monday, backed by resolutions from the Tahoe City and Brockway Rotary Clubs, Lake Tahoe Lions Club, North Tahoe Community Inc., North Tahoe Council of Organizations, Women's Club of Tahoe and the Lake Tahoe Ski Club, all in support of Senator Harold Johnson's bill, SB 1977, calling for immediate allocation of 25 million dollars of state funds, to be matched by a like or greater amount of federal funds for a trans-Sierra four-lane highway. The bill was reported favorably out of committee but the major fight on this allocation lies ahead. Those who want to see a trans-Sierra four lane highway completed (or even started) should immediately contact their representatives in the legislature at Sacramento.

Mrs. Tom Thatcher and daughter Sherry Lynn, accompanied by Chaplain Gardner of Stead Air Force Base, will place the urn containing the ashes of Thomas Thatcher in the cemetery at Tahoe City at 10 o'clock on the morning of Memorial Day. Military services were held at the time of Thatcher's death as the result of a heart attack while in reserve training at Lowery Air Force Base, Denver, last monht. An Air Force major in the intelligence division, Thatcher served two years overseas. Entering high scholo at the age of 11, he was considered a brilliant student, attending the best schools and colleges in Los Angeles, New York City, San Antonio, Denver and other cities. Best of all, he loved Tahoe, which fittingly becomes his final resting place.

RENO MAGICIAN ENTERTAINS ROTARY PARTY

TAHOE CITY— The Tahoe City Rotary Club's ladies' night dinner Tuesday evening at Tahoe Inn drew a record attendance of 96 members and visitors. After dinner, President Denis Sach acted as the master of ceremonies for a very entertaining evening.

As headliner on the program, he introduced Dr. William Fiebert, Reno optometrist and master amateur magician. The doctor put on several feats of legerdemain, including snatching a number of sizeable objects out of the air, to the wonder and delight of the audience. Once the magician's wrists were tied firmly together, a coat thrown over them and the following moment he raised his right hand free above the covering for all to see. His most startling bit, however, was when in about one second's time he stripped the shirt from Rotarian Pete Huega from under his coat, which he hadn't removed.

The next regular Rotary meeting will be at noon next Tuesday in the Inn's dining room.

SIGN PAINTER, ARTIST ARE ASSOCIATED

TAHOE CITY— A. C. (Al) Stoddard, sign painter, has returned to Lake Forest from 29 Palms for the summer and is again engaged at his business, which he has practiced hereabouts for the past several seasons. Associated with him will be Harry Bartran, an artist, who will be available for doing scenic work and murals in this region.

PICNIC POTATO SALAD

12 medium-size cooked potatoes
½ cup finely chopped onion
1 Tbs. salt
¼ Tsp. pepper
½ Tsp. celery seed
½ cup vinegar
¼ cup Crystal Butter, melted
3 hard-cooked eggs, chopped

Dice potatoes and mix with onion, salt, pepper and celery seed. Add vinegar and mix well; then add melted Crystal Butter and lastly the eggs, chopped in large pieces. Moisten as desired with mayonnaise or salad dressing (some prefer it without) and arrange in salad bowl lined with crisp lettuce. Garnish with radish roses. Serves 10.

TAHOE FOLKS HEAR OF KINS' INJURIES

TAHOE CITY— Mrs. Della Goss of Tahoe City recently received word from her granddaughter, Mrs. Chris Burmer, in Santa Cruz that the latter had fallen while baking in the kitchen of her home and broken three fingers on her right hand.

Ernie Hoxxie of Tahoe Tavern Heights was notified recently that his seven-year-old son, Joseph, attending school in Santa Barbara, had fallen on the school grounds and broken an arm.

EVENING OUT

TAHOE CITY— A group of young Tahoe matrons enjoyed the "evening out" Wednesday night of last week, highlighted by a Chinese dinner at a Kings Beach resort. Those attending included Mesdames Beccy Shontz, Violet Pomin, Jean Henry, Mary Anna Connors, Bernie Bechdolt, Martha Snyder, Patti Scott, Barbara Spitsen, Lenore Bartel, Pauline Sheehan and the latter's mother, Mrs. Phillips.

NEW CAR

TAHOE CITY— Bert Scott drove up from his Piedmont home on last Wednesday to Reno where he accepted delivery of a new car. He spent that night at the family home near Tahoe Park and left for Piedmont the next day.

FISHERMAN'S LUCK MONTH FINALE SLATED SATURDAY

TAHOE CITY— The Lake Tahoe-Sierra Chamber of Commerce will wind up its unique and highly successful "Fisherman's Luck" month with a huge buffet barbecue on Saturday, May 30, at Harvey Gross' Wagon Wheel at the south end of Lake Tahoe. This will be the big "pay-off" day for those who have participated since May 2 in the chamber's novel sporting event and a grand evening of entertainment is promised all who attend.

The feast will be served from 1 to 6 p.m., after which the crowd will move to the Sun Lounge where the Liar's Contest will be staged.

Carrol Raymond, secretary-manager of the Lake Tahoe-Sierra Chamber of Commerce, says 13 prizes will be given in all—ten to go to eligible participants, their presence not being necessary to qualify. The other three will go to the "Old Hack" award for the biggest mackinaw, the "Junior Hack" award for those 6 to 16 years of age, and the Liar's award. Those receiving the top three awards must be present. There also will be a special award to the "best fisherman" member of the Tahoe chamber, who would not otherwise be eligible.

Miss Raymond stresses the fact that all participants must present their record stubs in order to be eligible or to partake free of the barbecue. The general public may attend but non-participants must pay to eat.

"Fisherman's Luck" month has been pronounced highly successful in accomplishing the ends for which it was intended — getting sportsmen better acquainted with Lake Tahoe and its area, to work with the fish and game commissions of Nevada and California in collecting data on lake fishing to be used in improving stocking and feeding of fish. "Fisherman's Luck" month will be a regular annual event sponsored by the local chamber from now on.

HUT AT HOMEWOOD GRAND OPENING

TAHOE CITY— Mr. and Mrs. Edgar Myers of Homewood will hold a grand opening party at their summer resort, The Hut, on Wednesday, June 3. A large crowd attended their unofficial opening party last Saturday evening and everyone who attended reported having a wonderful time.

INN'S STOLEN CASH REGISTER FOUND UNDER DEBRIS PILE

TAHOE CITY— The cash register, which was stolen from the Tahoe Inn in the early morning hours following the Washington's Birthday celebration there last winter, was found during the past week under a pile of debris at the norhern edge of the Tahoe Tavern property.

Jimmy Williamson, a workman hired to clean up the Tavern grounds, was gathering and burning trash a short distance from a big pine known as "Bob Watson Sr.'s snow marker tree," when he uncovered the hidden register. An odd thing about the hiding place was that it was only about six feet from the spot where Tahoe's famous cannon of pioneer days lay buried so long ago.

Three prominent old-time residents here in the old days buried the valued relic to keep it safe for this community, when outside museum interests coveted it. One of the three who still resides here told recently how the cannon was at one time resurrected and polished up as a show piece at a special celebration,later being returned to its hiding place.

At the time the cash register was stolen, it had been emptied of most of the day's receipts. There remained in it only a few cents over $6. The original price of the machine was $1100 and when recovered it was found to have been damaged to the extent of $150 repair expense.

Upon the finding of the stolen machine, Sheriff Ward motored up from Auburn, bringing with him an investigator from the district attorney's office but no definite clues were reported found. However, investigation is still going on and officers say they have suspicions concerning the culprits.

TAHOE PEOPLE AT DONLAC PARTY

TAHOE CITY— There was quite a group of Tahoeites at Donlac Lodge on Donner Lake May 20 for their open house party. They enjoyed the dancing during the early evening and were shown about the newly remodeled place by the popular hosts, Tom and Jerrie Bonano. Assisting the hostess at the midnight buffet was Mrs. Rose Boyiarides of Tahoe City.

Among the many Lake Tahoe people who motored over for the evening where Mr. and Mrs. Edgar Myer and Johnny Finnigan of Homewood; Mr. and Mrs. Enrico Giannini, Mrs. Ann Simpson, Florence Vernon and George Roy of Tahoe City. Mr. and Mrs. B. W. (Sarge) Reynolds, Truckee, brought flowers for decorating the place for the occasion. A sumptious dinned was served to over 100 guests.

TOUR EUROPE

TAHOE CITY— On Saturday, Mrs. Eleanor Swanson received a card from Mr. and Mrs. Manuel Lopes from Stockholm, Sweden. The Lopes live at San Leandro and enjoy much of the summer season at their home in Timberland tract.

They are making a tour of Europe with another couple and have still to visit France, Switzerland, Italy and Portugal. They plan to arrive at Tahoe the latter part of August.

The R. Zimmerman family of San Francisco is again at Tahoe City, despite cool days and colder nights.

How to make your car and truck ride and drive easier

Your car and truck will roll over the bumps more smoothly; chassis bearings will last far longer if you lubricate with RPM Chassis Grease T-B. Do the job at least every 1000 miles and you'll always have a tough lubricating film on bearing surfaces that will not rupture under road shocks.

RPM Chassis Grease T-B contains special additives that help it stick on surfaces under the hardest shocks, resist moisture and reduce wear. Ask us about RPM Chassis Grease T-B in the special EZ Fill pail that makes it easier to load grease guns.

Placer Board OK's Trails Ordinance; Court to Hear Protesters' Arguments

AUBURN— Superior Judge L. L. Sparks has continued until June 1 arguments on the temporary restraining order granted to prevent the riding and hiking trails ordinance, adopted by the Placer County supervisors on May 11 becoming effective.

The ordinance declares 60 riding and hiking trails in Placer County to be public roads. The board adopted the controversial ordinance by a 4 to 1 vote, with Supervisor John Boyington of Loomis voting against it.

Contesting the validity of the ordinance in the suit are Fibreboard Products Inc., Ideal Cement Co., Stockton Box Co. and Nichols Estate.

No Due Process?

Opponents of the ordinance base their suit on the grounds that the law declares private property public property without due process of law. They assert that they are deprived of property without just compensation and without "notice, hearing or right of appeal."

The plaintiffs contend the ordinance prohibits reasonable activities upon portions of their property.

The ordinance itself sets forth the "public property" claim for the trails as delineated on a series of U. S. Geological Survey maps, dated as far back as 1885. It forbids "interference or obstruction by any person, firm, partnership, association or corporation" of the historic trails—many of which had long been abandoned as thoroughfares.

Exceptions Granted

The force of the ordinance is somewhat alleviated by clauses permitting unlocked gates to prevent livestock straying and permitting normal seasonal logging operations. It also provides for rerouting a trail which prevents normal use of the land by the owner, subject to approval by the supervisors.

Most of the trails are in the mountainous eastern section of the county, many in the Tahoe-Donner region.

Trail No. 1, for instance, runs southwesterly across Sawmill Flat past Watson Lake through Antone Meadows to Tahoe City. Another runs from the Brockway - Tahoe City highway north to Watson Lake.

Emigrant Trail

The old Placer Emigrant Road, starting at junction with Highway 89, west up Squaw Creek to the Emigrant Road monument in Squaw Pass between Squaw Peak and Granite Chief, along the Emigrant Road to Little American Valley on the headwaters of the Middle Fork of the American River, then northwesterly south of Needle Peak to the top of Wabena Ridge to the junction of the old French Meadows-Soda Springs road, then west along Wabena Ridge between the north and middle forks of the American River to Robinson Flat.

Another starts at French Meadows-Soda Springs road near the north bank of the American east to Soda Springs, then southeast to summit south of Tinker Knob and continuing into Squaw Valley. This one is restricted to horse and hiking use only.

A trail starts at Donner Monument, goes southwest up Cold Creek on the route of the old Overland Emigrant road to its junction with Southern Pacific railroad, then southerly, east of Andersan Peak to summit of Tinker Knob, then south to junction with Squaw Valley-Soda Springs trail.

Around Five Lakes

Still another begins at a lake on Squaw-Soda Springs trail, runs south past east side of Granite Chief Summit to Five Lakes Creek. Another starts at Highway 89 at junction of Five Lakes road, west up Bear Creek to north shore of Five Lakes, then south down Five Lakes Creek to Hunter Springs, then southwest to Buck Meadow on Rubicon River and west to Lower Hell Hole on the Rubicon, then southeast to Moutain Meadows and Bunker Hill Lookout.

The next starts from the north shore of Five Lakes to a junction with Squaw-Soda Springs trail. One trail begins at Deer Park on Bear Creek, goes south to headwaters of Bear Creek, southeast to Ward Creek and then down Ward Ward Creek to west shore of Lake Tahoe. From Ward Creek another runs southerly to Twin Peak.

Near West Tahoe

Starting at a point on Highway 89, west up an old road to Blackwood Creek, southwest to Barker Pass and Barker Meadows, thence south to the Rubicon. Another begins in Barker Pass, runs southeast to McKinneys (Chamber's) on Lake Tahoe. The next is from McKinney-Miller Lake road north to junction with Barker Pass-McKinney trail.

Of the 60 trail sections outlined, 18 others are delineated in the so-called "back country" lying west of Lake Tahoe, south of Highway 40 in the high Sierra Section of the county.

One of these is a section of the old Overland Emigrant Trail starting at Donner Monument, southwest up Cold Stream to the summit of the Sierra, north of Mount Lincoln, northwest to Summit Valley and west of Lake Van Norden to a crossing of the county road to Soda Springs, thence between Kilborn and Kidd lakes, southwest north of Cascade Lake, northwest to the South Fork of the Yuba to Rattlesnake Creek, winding up at the old Culbertson Road in Bear Valley.

TAHOE TOPICS

by ETHEL J. VERNON

The weather is usually a safe topic of discussion to start out with but we are a little doubtful about the effects of recalling last week's weather at Tahoe. For early summer, the past week has been amazingly winterish. Starting out last Wednesday with clouds and wind, the prospect became day by day more discouraging, until by Friday night there seemed to be a real storm brewing. On Saturday morning, the weather observer measured an inch of new snow. Twenty-four hours later he measured five inches more and the ground was really white Sunday morning. And out on the curve of the Dollar grade eight cars were stuck good and proper. When their drivers started their motors and put them in gear, their wheels stayed in one place and spun, to the helpless digust of said drivers. At last the news of the eight cars reached the operators at the Henry Garage at Tahoe City and the tow car from there was very busy from that time on.

Speaking of the Henry Garage, the Henrys (Joe and Marie) recently set up a large television set in the garage and the neighbors are invited to come in evenings and be entertained. On the night of the recent big fight more than 100 visitors crowded the garage to look and listen. Beside the home town neighbors, there were folks from Truckee, Reno and Sacramento that night.

Mr. and Mrs. Al Snyder of Lake Forest also held a showing by television on the night of the fight in their lakeshore home. They extended special invitations to members of the local Rotary Club and several from Lake Forest and Tahoe City were on hand.

In a recent communication from their daughter, Pat Griswold, the Henrys are informed this week that she has completed her course in preparation for her new job, and now goes to her office right along with her husband. Pat is a native Tahoeite, grew up here and graduated from Tahoe schools. She now resides with her husband and two-year-old daughter, Mary Tabor, in Hyatsville,. Maryland Her husband is Lt. William Griswold, stationed with the Navy Air Force in Washington, D. C. The two of them now commute from their home into Washington where Pat is employed as a reservationist for United Airlines at the capital city terminal. Pat writes she plans on the first vacation coming her way to take Mary Tabor and fly home to Lake Tahoe.

Mrs. Bob Thomas of Tahoe and Auburn visited Tahoe City friends during the past week, bringing flowers from her lowland home and telling everybody goodbye for a period of several weeks. She leaves in a few days by plane for New York. After N. Y., her next landing will be in England, where she intends to visit for a while. She plans to take in the Coronation of Queen Elizabeth II. Later she will fly to her birthplace and childhood home on the Isle of Man. She plans to return to the U. S. in late September.

Mrs. Maxwell C. Hilton, who hasn't missed a summer vacation in her Sunnyside lake shore home for more than 30 years will not be at Sunnyside this year until possibly late fall. She is now in hre Piedmont home making preparation for an extended European tour. Her ten year old granddaughter, Joanne Lovejoy, will accompany her on the trip.

Mr. and Mrs. Jack Starratt held a combined birthday party in their Tahoe City home May 16 for their two daughters, Anne and Sally. Anne was two years old on the 15th and Sally was one on the 17th, so the beautifully iced cake was a "two-in-one" creation, bearing two candles for Anne and one for Sally. Honored guests at the party included two pairs of grandparens; one pair driving from their home in Lincoln 'specially for the celebration were the maternal grandparents, Mr. and Mrs. Richard Lee, and the paternal pair are Mr. and Mrs. A. M. Anderson of Tahoe City. Other guests with the children's aunt, Kathleen Starratt, and two friends, Ann Bridgman and Brooks Linton.

On last Thursday afternoon, Miss Christine Bechdolt was hostess in her home in Tahoe City at a party held in honor of her 15th birthdate. The young guests were entertained indoors, enjoying refreshments of cake and ice cream. Beside the honoree, those present included her mother, Mrs. Carl Bechdolt Jr., a sister and two brothers, Sharon, Parky and Calvin, and friends Duane Pomin, Kita Buford, Jackie Wilson and Donna Porter.

At a house party over the past weekend in the C. W. Vernon home in Tahoe City, guests included Mrs. Vernon's cousin, George Payton of Los Angeles, his son, Donald Payton, on furlough from the USN fleet training station at San Diego, Mrs. Carolyn G. Binford of Bell and Mrs. June Baker of Santa Monica Beach. Most of the weekend was spent indoors, holding fireplace weiner bakes, showing slides of Don's overseas tours and making recordings of everybody's "special talents."

Mr. and Mrs. John Merril, who own a summer home on the Tahoe City lakeshore, were up from their bay region winter place during the past weekend and after visiting their property, took lodgings at Brockway Hotel. The Merrils said they plan an extended tour of Europe very soon and simply had to see the lake once more before leaving.

Hillyer Brown of the bay region, brother of Dr. Cabot Brown who has been a summer home owner on the lake fro many years, last week purchased a section of the former Drum estate at Chinkapin Cove. Mrs. Drum's first built cabin stands on the lakeshore land of the purchase and Brown is now busy remodeling and adding to the place to put it in shape for use this summer.

After recent remodeling of buildings and piers at the former Wm. Kent place at Sunnyside Beach, Mr. and Mrs. J. Philip Murphy, present owners, are up from their Piedmont place this week and have opened the lakeshore home for the summer.

Along the lakeshore home section below Dollar Hill this week several places have been opened for spring vacationists and fishing parties. Among them are the residence of Mr. and Mrs. Ernest S. Houdlette and the home of Mr. and Mrs. Hans Windescheim. The Windescheims are reported to be in for the entire season. In this locality, near Blue Paradise, Mr. and Mrs. Samuel Means have also opened their home for the summer.

Mr. and Mrs. Milton Levy and daughter Carol are up from the bay region and have opened their Sunnyside Beach place for the summer. Carol is the young lady of water ski renown, who has regularly won water ski events each summer at Lake Tahoe.

A house guest at hte Tahoe City home of Mr. and Mrs. Carl Bechdolt Sr. during the past several days is Mrs. B. Delgado of southern California. Mrs. Bechdolt made a trip to Reno last week and her visiting friend went along. While in Reno, Mrs. Bechdolt stopped by the hospital and visited with Mrs. Henry Helm, who is confined there for her second siege of surgery within little over a month. She is reported taking everything in her usual calm and cheerful manner, and her many friends in this vicinity are holding all good thoughts for her on her speedy recovery.

Miss Kathleen Starratt, daughter of Mrs. A. M. Anderson of Tahoe City, left here on the first of the week for the annual drive to her leased summer resort, the Elbo Ranch in the Grand Teton National Park, near Jackson Hole, Wyoming. She was accompanied by Miss Ann Bridgman of Ross, who will assist her in running the ranch this summer. It is a spacious ranch with accommodations for 22 guests. This is Kathleen's fourth year as manager of Elbo Ranch and she still likes the work as well as ever.

Mrs. Sam Sholand, former Tahoeites who recently returned here after several years spent in the east, took up steady employment during the weekend at Tahoe Lodge. She is working in the motel there for Mrs. Howard Guth. Her husband is employed at the lodge intermittently to do remodeing and general repair work. The Sholands are very happy in their new employment.

Al Brune, assistant manager of Tahoe Tavern, with his wife and baby daughter, Julianne, were up for a few days last week. Brune was looking over the Tavern premises, preparatory to its scheduled opening and also looking for cottage accommodations for his family for the month of June.

Bob and Stella Watson of Tahoe and Clarksville were here over the past weekend. Stella brought flowers to Tahoe friends as usual, and made an investigation trip to her summer cottage in the Lake Forest vicinity.

SUMMIT SCENE

by FRAN COUILLARD

We look out of the window and get them coming and going. Those who first put forward a city-shod foot into what's left of the snow and venture a first spring look at cabins that have now emerged from their winter icing are few. We believe the first of the Kingvale explorers are Irma and Cliff David who, with friends, waded through a few drifts and played bridge last weekend despite the temperamental blasts of alternate snow, sleet and rain that kept them seated indoors within the comfortable range of the fireplace.

The Frank Bourdets of Burlingame with intrepid daughter, Penny, tip toe through lasting drifts to their Soda Springs subdivision cabin to see if their perenials have pushed their way up through the snow. Another sign of spring is Jessie and Roy Thompson loading up their Sno-Cat, draining their water system in their Soda Springs house and taking off cross country for their Cedars operation, getting ready for the summer business. Helen Reynolds has to take a look at her beautiful summer home in Soda Springs and figure out what is needed for the long summer months she will spend in her cabin.

We take off for Sacramento for a few days. Eleanor Johansen visits relatives in Marin County. Bill Rutherford and Chuck Reynolds take off for San Francisco—Bill on business, Chuck to attend an alumni banquet at San Francisco City College. We get a note from Irma Ledgerwood asking if her cabin is uncovered. We hear from Janet Sorani who misses spring coming to the mountains. Shutters come off of the Ice Lakes windows, we hear by 'phone. Helen Milton Hogle move from their Soda Springs site back to their Rainbow cabin.

The Donner Community Club gets into its summer stride with enthusiastic new officers. Last Tuesday's meeting was devoted to ways and means of swelling the coffers of the club and such projects as saving newspapers (said papers to be bailed and stored in the rear of Ralph Rowton's garage), salvaging scrap iron, socials and what not were discussed and approved. President Max Williamson announced that at the last meeting of the board of directors, Eleanor Johanson was named membership drive chairman; Velda Parsons, chairman of the "fun" department which includes socials, dances and the like. John Carl heads the sportsmen division, with yours truly (Fran Couillard) given the task of finding ways and means of marking the Donner Trail Race course. Max is trying to stir up enthusiasm for a competing baseball game between the upper enders and the lower enders—meaning the top of the mountain and Soda Springs, against Cisco, Big Bend and Rainbow.

Jim Sherritt, who reminisces through his vignettes appearing each Sunday in the Oakland Tribune and tells of former things and times hereabouts, is getting "fan mail" from all over the country. We suggested he let us copy the following from a letter from R. J. Van Horne, chief clerk in charge with the U. S. Mint Service at Fort Knox, Kentucky:

"A friend of mine in California sent me an editorial page from the Oakland Tribue referring to a story of the Donner Summit area as written by you. In this article they quote you as telling about the Postal Telegraph Company's man, Mike McGuinn. I spent two years as the jerry operator, as they called us at the Summit, from July 1, 1910 to June, 1912 keeping track of the trackwalkers, calling the fire trains for shed fires, etc. Mike McGuinn and I batched together for several months in a box car at the Summit and I have pictures of him taken with me in front of our car, of him sitting on the cross piece of a telegraph pole during the heavy snow storm that we had when the snow was 30 feet at the Summit. Do you remember any of the following that I knew at that time?

"Joe Gowling, owner of the Summit Hotel; Jack Swearer, who ran the Soda Springs Hotel for him; Perry Norris, the over six-foot clerk at the Summit Hotel; Lorenzo Scatena, the section foreman; Bill McKnight, Tom Owens and Tony DeCosta, engineers on the Truckee helpers; Charley Weatherford and Jim Glass, foreman of the snowshed repair gangs; Ellis Bryan, Myrt Ballard, Dan Fogelson, Paul Storey, Brown telegraph operators at the Summit and Ralph Fry, station agent; S. R. Cupples, roadmaster at Truckee, and Sid Gilliard, his assistant; Charles Brown, Jim Knapp of Blue Canyon and the storekeeper at Emigrant Gap, who had the team of mules that he drove all over the mountains.

"Do you remember the automobile race they used to have each spring to be the first automobile over the Summit to Reno; when they came up the mountain with several men with each machine with shovels to dig out the snow and then throw it back on the road to block the machine behind them? Do you remember the time that Overly's freight that was tied up at Soda Springs, ran out of the siding and went down the mountain out of control and met the passenger train coming up the mountain on the only piece of straight track and was wrecked without the loss of any life or injury to the passengers? Dolly Gray was the engineer on the passenger train.

"The operator at Soda Springs ran out and tried to stop the train but did not succeed. I forgot his name. Also, did you know Charley Croak, Walter Croak and the other Croak boy who were signal maintenance men at the Summit? One of the Croaks was in Truckee and came up one Thanksgiving for dinner with the rest and was killed after getting off the train and struck by a freight that was following. Also the Western Union man Charley —— I can't just think of his last name but he was married while I was there.

"If you have time I would appreciate hearing from you as I had a wonderful time during the years I was at the Summit even if I did work 12 hours out of the 24 for seven days a week. I left there and went to San Francisco to business college and in 1915 went into the Mint at 5th and Mission and stayed there until 1936 when I was sent to Fort Knox to take charge of the Gold Vault and I have been here ever since."

Another "fan" writes Jim to say that she was born in the old Summit Hotel and was named after Jim's mother, Agnes Sherritt.

We wave goodbye to Jack and Pat Woodard and their offspring, Strohn, Dave and Mike, as they take off for a vacation in Montana. By long distance we hear from Peg Travis and the sound of the pounding surf in our ear told us that she was in Long Beach. Peg stated she had spent last weekend with Rita Vail in Sunnyvale. In walks Bud, Barbara and Debby Zorich, after vacationing. They found time to attend the Sport Show in San Francisco, which forecast what the well dressed skier will wear next winter.

Carl Buek drops in for a moment to report personally on son Dick. After a terrific accident that put Dick on the serious side of the life line, his indominatible spirit and good health tipped the scales toward the right side and Dick will now pull through. Dick, who had just received notice that he was placed on the FIS team and would go to Europe for next winter's games, firmly believes he will be on the boat with other members of the team. We believe so too—in spite of a broken arm, broken collar bone, fractured knee and internal injuries that necessitated operations and blood transfusions galore.

BISHOP IS HONORED FOR 20 YEARS OF DIOCESAN SERVICE

TAHOE CITY— Mr. and Mrs. Milton J. Shontz and daughter, Jayne of Tahoe City last weekend were in Sacramento, houseguests of Mr. and Mrs. Herman Rauh. The christening of the latter's two-months-old son, John Richard, was held Sunday afternoon at the Episcopal Church, with the baby's maternal grandfather, Bishop Noel Porter officiating.

Earlier in the day an informal party was given at the bishop's house by members of his diocese, honoring honoring the prelate's 20th year in the services of the church as a bishop. Box lunches and a social hour or two were enjoyed in the gardens of the home of Bishop and Mrs. Porter in the capital city.

MAY-AH-MEE LODGE SALE REPORTED TO OAKLAND PAIR

TAHOE CITY— J. W. Ensign and Philip Purdy have sold their May-Ah-Mee Lodge near Sunnyside to J. C. Lid and Fred Pfeffer, both of Oakland.

Lid, now at the lodge, said the deal will be completed this week. The purchase price was not given but the figure is believed to be in the neighborhood of $100,000. The lodge is ten miles south of Tahoe City.

The lodge was built in 1913 by the late Frank Pomin and opened the following year under the name of Pomin's Resort. Ensign and Purdy were the second buyers after the death of Frank Pomin. They bought in 1938, changing the name to May-Ah-Mee.

Purdy has a home in Stockton and Ensign owns a hotel in Modesto.

The resort business will be a new venture for the new owners, according to Lid. He said the opening date will be about June 15.

Swanee's Letter

Tahoe City, May 24

Dear Tahoeites:

Here I am back again for the summer—back to Tahoe's delayed winter weather. Can't say I'm enjoying it but it is good to be back, no matter what the clime.

During our sojourn at Carmel, I spent quite a bit of time at Santa Cruz as well. While there, became excited over the newest floriculture craze, the culture of African violets. Visited one of the largest nurseries down there and was overwhelmed by the number and varieties of these delicate flowers.

I hear my old friends, the D. M. Brodehls, have left their Lodi ranch to move to Oakland, where he has the mail carrying contract between Concord and Oakland.

I thought it rather amusing how the Milton J. Shontzes named their family pet, a two months old Wiemaraner. Three year old son Bro out of the blue called him "Phortie"—and that's what he'll be called henceforth. The only other one of this rare German breed around here I know of is owned by the Martin Spitsen family in Tahoe City. Their 11-months-old Vic won his first prize a week ago in the Sacramento Dog Show, a first prize cup and ribbon of which the owners are rightly proud.

Latest word received by Mrs. Marie Henry from Captain Hans Hansen, for many years caretaker at Rubicon Lodge and well known in this area, is that Hans is in Hollywood where he is visiting at the home of Mr. and Mrs. Harry Grayson. He wrote he was undecided whether to remain there for a spell or return to his home at Half Moon Bay.

The Women's Club of Tahoe met last Thursday at the home of Mrs. Louise Geier in Tahoe Park, at which time new officers were installed for the coming year. Mrs. Alma Guth of Tahoe Park will serve as president, replacing Mrs. Blanche Donaldson. Mrs. Stella Watson succeeds Mrs. Pearl Snyder as vice president. Mrs. Betty Ball is recording secretary and Mrs. Pearl Snyder corresponding secretary. Mrs. Gladys Anderson retained the office of treasurer. Mrs. Pearl Snyder and Mrs. Jeannette Mitchell were appointed directors. Mrs. Geier and Mrs. Ball were hostesses for the occasion and served delicious French apple pie, ice cream and coffee. There were 17 ladies attending.

Mrs. Anderson, Mrs. Mitchell and Mrs. G. W. Mortimer reported on the Tri-County federation meeting they attended at Loomis May 14. The club's by-laws were discussed and a committee was appointed to suggest changes to meet present needs. The committee includes Mrs. Guth, Mrs. Ball, Mrs. Geier and Mrs. Martha Snyder. It was voted to hold regular business meeting the first and third Thursday each month, with all business meetings scheduled at Bacchi's restaurant in Lake Forest. The club's spring luncheon party will be at Bacchi's on June 4 at 1 p.m. Members are requested to make reservations in advance.

Mrs. Gerda Kvistberg has knitted an elegant whit wool scarf, to be displayed in local stores, and it will go to some one during the Bazaar of the Woman's Club of Tahoe on July 25 between 10 a.m. and 9 p.m. in Tahoe City. Numerous and varied articles will be offered for sale at that time—including beautifully embroidered household article, candies, cookies, preserved, cooked foods and cakes.

The club voted $5 as requested by Harry Johanson, who is clearing the local cemetery above the golf course and marking the graves there. The money will be used to purchase surveyor's sticks in marking off grave spaces. Club members also pledged to contact as many blood donors as possible to visit the Mobile Blood Bank, which will visit the Tahoe-Truckee region June 8 and 9. Mrs. Jeannette Mitchell was appointed publicity chairman and a parliamenarian will be chosen at a later meeting.

A report was given by Florence Vernon on her meeting with the public utility directors, at which a discussion was held and the opinion of the directors asked concernnig the possibility of a new club house for women, to be built—if approved—on a site formerly approved for a veterans' building. A lengthy discussion followed this report but it was decided to postpone further plans of the building indefinitely.

Because of many inquiries, I give the latest news on son, Jim Baker, and family. They have moved to Ceres and Jim is working in Modesto at the big freezer plant of his father in law. Their little four months old daughter, Yvonne Marie, is an adorable child and gaining weight rapidly. They say "Hello" to their many friends in the Tahoe region.

Captain Bud Scott took a spin on the lake last Wednesday in one of his speed boats which are being tuned up for summer use. His sleek, modern 43-foot cruiser "The Tahoe," is also being reconditioned and the tentative date for her first passenger carrying trip for 1953 is set around June 9.

Leave you for the week. Will be glad to hear from my old friends who have items for the "Letter." Call Tahoe City 228J or 228 W. Good luck, good health and sincere greetings to you all, as ever,

SWANEE.

This change was caused by the tremendous growth and service requirements in the area since the end of World War II, which Howard Newsham, manager at Truckee,, stated has increased about 300 per cent. Now I've seen a lemon.....Hazel Lewis' sister, Mrs. Joe Toffenalli, in Oakland sent her up a few lemons off her tree in the back yard.....the biggest was 14 inches around the poles.....11 around the girth and weighed 13½ ounces .....Jake Stuart working with grim purpose and determination..... changing a flat tire off his pickup .....parked in front of the Masonic Temple.....Leroy Wilson over from Nevada City with a team of surveyors for the division of highways.....giving a big hello to his many local friends.....and his brother, Judge F. W. Wilson.....We some times forget or overlook that we have many citizens in our midst who are world travelers.....via the "conducted tours" set for them through World Wars I, II and II½ .....some of them from American Legion Post 439 Saturday morning will unite in a little service..... to memorialize their fellow travelers who didn't make the return trip .....Memorial day services will be conducted at the cemetery on the hill between 10:30 and 11 a.m. .....stop a few moments that day and give the subject a thought, please.....Mrs. Charlie Heller celebrated her birthdate Friday, the 22nd.....by returning home after a couple of weeks attending first a Rebekah convention at Fresno..... then a Pythian Sister convention at Hoberg's.....the next day she and Charlie took off for a toy show in "the city".....where they lined up purchases for their local emporium.....and E. NATIONAL FOREST TIMBER FOR SALE

Sealed bids will be received by the Regional Forester or his authorized representative in the office of the Forest Supervisor, U. S. Forest Service, Nevada City, California, up to and including 2:00 P.M., June 29, 1953, for all the live or recently killed (sound sapwood) timber, marked or designated for cutting on an area embracing about 570 acres within Sections 12, 13, 14 and 24, T. 19 N., R. 14 E., and Sections 5 and 8, T. 19 N., R. 15 E., M.D.M., Tahoe National Forest, California, estimated to be approximately 12,150 M ft. b.m., more or less, of ponderosa pine, western white pine, lodgepole pine, white fir and red fir. The appraised value of this timber according to long-term normal market and operating conditions is $14.40 per M ft. b.m. for ponderosa pine, $3.65 per M ft. b.m. for lodgepole pine and $1.90 per M ft. b.m. for white fir and red fir. No bid will be considered which is less than these rates as a base rate applicable through the entire period of the sale agreement, plus an additional amount of at least $14.50 per M ft. b.m. for ponderosa pine, $4.00 per M ft. b.m. for lodgepole pine and $2.15 per M ft. b.m. for white fir and red fir, which additional amounts shall be subject to quarterly calendar adjustment upward or downward by 0.5 of the difference between the base index determined as set forth below and the average of the Western Pine Association lumber price indexes as calculated by the Forest Service at the end of each quarter. Such adjustment in the additional amounts for stumpage shall be applicable to timber cut and scaled during the calendar quarter for which the adjustment is computed. In no event, however, shall the adjusted stumpage rates for each quarter be less than the basic appraised rates as first stated above. The base index for this sale is the arithmetic average of the Western Pine Association lumber price indexes for the months of January, February and March, 1953. In addition the purchaser will be required to make deposits for reforestation and other silvicultural work on this sale area at the rate of $0.20 per M ft. b.m., and to make deposits to cover the cost of hazard reduction work at the rate of $0.15 per M ft. b.m. for all live or recently killed (sound sapwood) material scaled. In addition there is an unestimated merchantable volume of older dead (unsound sapwood) timber on the above described area, the removal of which will be required at the following rates: $14.50 per M ft. b.m. for ponderosa pine, $4.00 per M ft. b.m. for lodgepole pine, and $2.20 per M ft. b.m. for white fir and red fir. These rates will not be subject to quarterly calendar adjustment. $5,000.00 must accompany each bid to be applied to the purchase price, refunded, or retained in part as liquidated damages according to conditions of sale. The right to reject any or all bids reserved. Before bids are submitted full information concerning of timber, conditions of sale, and the submission of bids should be obtained from the Forest Supervisor, Nevada City, California, the District Ranger, Sierraville, California, or the Regional Forester, 630 Sansome Street, San Francisco 11, California.

CUBS HOLD MEET, PRESENT PROGRAM

Cub Scout Pack 7, Dens 1 and 2, held their monthly meeting in Veterans Memorial Hall Tuesday evening under the direction of Den Mothers Mrs. William Englehart Jr. and Mrs. James Walker, assisted by Mrs. Reg Smart and Mrs. Robert Leamon. Mike Kaspian was narrator for Den 1 when the group gave a study of nature, including a live rabbit, in their exhibits. Other boys taking part were Reg Smart, Bill Thornton, Bill Notley, Merrill Englehart, Don Brown.

"The Hungry Tribe," an Indian play, was given by Den 2, including David Ayala, Quinton Kay, J. C. Roberson, Barry Leamon, Gene Miller, Martin Johnson, Jimmy Osburn, Don Brakefield, Terry Walker, Mike Kumle.

The next Pack meeting is scheduled Tuesday evening, June 30, and all parents are urged to attend.

DRIVER PLEADS NOT GUILTY

John Kennedy, 48, Tahoma, charged with driving while intoxicated, pleaded not guilty in the local court and his bail was set at $250 by Judge F. W. Wilson. Kennedy was cited by Patrolman Tom Sheehan.

BRIDE ELECT IS SHOWER HONOREE

Miss Phyllis Ziegermeyer, bride elect of William Frey, was complimented at a miscellaneous shower, given by Mrs. Elwood Buehler in her home at Meadow Lake Park Sunday afternoon.

Games were played and television was enjoyed by the group, following the shower of gifts which had been held in a gayly decorated parasol. Mrs. Emily Bergmans made the decorated cake for the occasion and individual ice cream portions were topped with bride and groom figures.

Others invited were Mrs. Lawrence Frey and daughters, Dorothea and Varien; Mesdames Lynn Kishbaugh, E. R. Eberhart, George Bergen, Everett O'Rourke, Hugh Smith and Misses Marilyn Daily, Thelma Finger, Patricia Meddaugh, Patricia O'Brien, Betty Raker, Janice Buehler.

Finger Injured—
Joseph Garcia, 21, was treated by Dr. George Hahn Friday for an amputated little finger on his right hand. Garcia said he caught the digit in a slamming car door.

Chambers at Lake—
George Chambers, brother of the late Dave Chambers, arrived at Chambers' Lodge, Lake Tahoe, this week from Santa Barbara.

DONNER LODGE PLANS OPENING

An opportunity for local residents to become better acquainted with the new managers of Donner Lake Lodge will be offered Monday, June 1, when Mr. and Mrs. William McCarty will open their cocktail lounge for the season. A buffet supper will be served and a good time is promised.

The McCartys are now occupying the Waltz home along Donner Lake, McCarty having secured his discharge from the Air Force and the family now establishing themselves here.

BUNGALOW OPEN
After a short delay from the originally scheduled opening date, Mrs. Harry Eaton announced that she is opening The Bungalow Cafe on West Main Street today and extends an invitation to all to come in.

Lookouts Back—
Mr. and Mrs. Harry Parsons have returned from Florida where they spent the winter to take up their duties with the forest service here as lookouts during the summer season.

FISHERMAN LANDS TWO IN ONE FOR TOP FISH STORY

One of the best fish stories for this season comes from Robert Seibold of Truckee, who also displayed the proof of his catch.

Fishing in Lake Tahoe with a fly rod, having broken his trolling rig, Seibold hooked a 12½ pound mackinaw which he landed with some difficulty.

That in itself would be a fair story, but the surprise came when it was revealed that the mackinaw was devouring a 12-inch kokanee when he took Seibold's bait. The smaller fish was taken from the larger during the cleaning process but was in a recognizable state of preservation.

Huffs at Lake—
Mr. and Mrs. Don Huff are at their Homewood Resort, having come up from their Woodland home.

Birthdate—
Joe Carter celebrated his birthdate on May 25.

Attend Last Rites—
Mrs. Jack Ellis this week attended the funeral services held for her aunt at Los Angeles.

MORE THAN 50 COMPLETE WORK IN EIGHTH GRADE

The Eighth Grade at Tahoe-Truckee High School will have their annual dinner and presentation of certificates tonight. These certificates indicate that the students have completed the required course of study, have passed the county examinations and are now ready to enter the Ninth Grade of high school.

A dinner will served at 7:30 p.m. in the high school cafeteria and parents and friends will be admitted by ticket only, due to the lack of space.

E. V. O'Rourke, superintendent of Tahoe-Truckee Unified School District, will present the diplomas. George Bergen, principal of the high school, will speak on the subject "Tomorrow."

The following graduates of the Eighth Grade class will receive their certificates:

Jacqueline Wilma Abbott, Betty JoAnne Allen, Anita Guadalupe Antillon, Charrison David Ashton, Charles Aydelotte, William Wesley Ball, Susan Ann Baysinger, Elbert Hubbard Bergmans, Nancy Marie Bergmans,

Robert George Trask, James Robert Vahey, Douglas Edward Wilson, Jacqueline Ethel Wilson, Nikki Ann Wing, George Harrison Woodard.

ATTENDS GRADUATION
Mrs. Edward Trask of the Truckee elementary school faculty has left for Philadelphia where her son is graduating from a divinity college. She will accompany him to Boston, where he will be ordained as an Episcopal minister.

Visit from Manteca—
Mr. and Mrs. Tom Wilson of Manteca are visiting friends and relatives this week here and at Loyalton. Mrs. Wilson is the former Mrs. Rose Belli, well known in Truckee and Folsom, where she had been employed prior to her marriage last winter.

Valley Visitors—
Mr. and Mrs. E. A. Parker visited Mr. and Mrs. R. J. Nesbitt, Mr. and Mrs. G. E. Smith and daughter Susie, Mr. and Mrs. C. F. Files, all at Sacramento on the weekend. All went to the Lincoln cemetery to visit the grave of Mrs. Parker's father.

Bicycle Found—
Constable N. F. Dolley has recovered a stolen bicycle and asks the owner to contact him for details.

Here from East—
Mrs. Daryl Gaiennie and children, Billy and Darys of Tarkio, Missouri, have been guests of Mr. and Mrs. F. W. Gaiennie, leaving Monday for Napa where they will visit Mr. and Mrs. Wm. Wiley. The visitors will return here before going to their home.

Family Travels—
Mr. and Mrs. Harold Langille of Truckee, Mr. and Mrs. J. C. Langille of Berkeley visited relatives at Boise, Idaho. Mr. and Mrs. James Leamon and son of Suisun are houseguests at the Langille home this week.

Here from Reno—
Mrs. L. Cavallo of Reno is visiting her mother, Mrs. Hannah Stewart, and her brother in law and sister, Mr. and Mrs. John Gracik.

APRICOTS
California produces 96 per cent of the nation's apricot crop.

FOUND— White Persian cat. Inquire Sierra Sun.

NOTICE OF REQUEST FOR BIDS
Notice is hereby given that sealed bids will be received by the Board of Trustees, of the Truckee Cemetery District, State of California, at the office of the District, Bank of America Building, corner Main and Bridge Streets, Truckee, California, until 3 P.M. June 12, 1953 for the purpose of graveling six inches deep the main thoroughfare through the Cemetery and all that portion between the front entrance and the State Highway in accordance with the specifications therefor which may be obtained from C. B. White, Secretary of the District. The Board reserves the right to reject any and all bids and-or to waive any irregularities or informalities in the bidding.

IKE RECALLS SUMMIT STALL

Thirty-four years ago, in 1919, Dwight D. Eisenhower was bogged down on Donner Summit.

This fact was volunteered by the President in Washington this week during a visit with S. R. Burkholder of Sparks, who was recently designated U. S. Driver of the Year.

During their conversation, the President and Burkholder began talking of trips over Donner and some of the difficulties encountered. It was then the President told how he, as a member of an army truck convoy, bogged down on the local highway 34 years ago.

TAHOE GROUP IS SUPPORTING SHOW

KINGS BEACH— The North Tahoe Council of Organizations invites all the people of this area to attend and enjoy the benefit show to be held at Brockway Theater on Thursday night, May 28.

Entertainment planned includes the Truckee 20-30 Club staging their popular variety show and a late release movie. An added attraction will be the giving away of a portable radio. There are two shows scheduled, at 6:30 and 9:05 this evening. Everyone is urged to enjoy an evening of good entertainment and at the same time help a worthy cause.

Irene E. Englehart observed her birthdate Sunday, May 24.

Tarzan

by EDGAR RICE BURROUGHS®

AFTER HOLDING A BRIEF BURIAL SERVICE FOR MARY BARD, THE THREE MEN TRUDGED WEARILY BACK TO ORANDO.

AGREEING TO KEEP MARY'S TREACHERY A SECRET, THEY RETURNED TO THE ORANDAN PALACE, RECEIVING A ROYAL WELCOME. BUT JOY TURNED TO GRIEF WHEN THE OTHERS HEARD OF THE TRAGEDY. "A PITY, PITY," SAID THE KING. "YET YOUR MISSION WAS TO GET THE DIAMOND. DID YOU?--" REPRESSING HIS DISGUST, TARZAN PRODUCED THE CASKET.

"ORAN OPENED THE CASE WITH TREMBLING, GREEDY FINGERS. THEN SUDDENLY HE GASPED IN DISBELIEF--INSIDE, ON A VELVET CUSHION, LAY A SMALL LUMP OF COAL!

"FOR THIS FALSE AND ACCURSED THING PEOPLE HAVE SUFFERED AND DIED," MUSED TARZAN. "YET, IRONICALLY, IT IS INDEED THE FATHER OF DIAMONDS..."
